# COMMUNITY

## DEEPLY ROOTED

**Give local, stay local**

Blood donations stay local, benefitting patients in your community.

## INNOVATION

**Leading-edge research**

Advancing care for patients nationwide through Versiti Blood Research Institute

## LIFESAVING

**Improved outcomes**

Patients with rare diseases have access to specialty products and care.

## Blood Center of Ohio

With centers located in Columbus and Dayton, Versiti Blood Center of Ohio provides blood, blood products and specialty laboratory services to The Ohio State University Wexner Medical Center. The Wexner Medical Center is a leading hospital system with a nationally recognized hematology division, the Midwest's largest cancer hospital and the only academic medical center in the region. The health system uses more than 60,000 lifesaving units of blood products every year. For more information, visit [versiti.org](http://versiti.org)

## We put people first.

### Blood Services

Blood donations help patients locally. Those with special needs in your community will have improved access to specialty matched units and consultative services.

### Physician Services

A host of transfusion-related medical services including therapeutic services, physician consultations, adult hematology, and comprehensive care for patients with bleeding disorders.

### Donor Testing

Infectious disease testing (IDT) to determine donor suitability and blood product safety.

### Diagnostic Labs

We are the science behind the medicine for national hospitals providing personalized solutions in transplantation and hematology.

### Pharmacy

Product distribution for hospitals, facilities, and patients' homes.

### Versiti Blood Research Institute

Versiti Blood Research Institute attracts leading-edge researchers from around the world who are dedicated to unlocking the healing potential of blood.
